SPECIAL INSTRUCTIONS
_____ _____ _____

This is a one-year agreement automatically renewed after the initial (12) twelve-month period until canceled with a (30) thirty-day written notice. After the initial (12) twelve-month period, quarterly or every-other-month service will continue with the same terms and conditions indicated in the agreement. This service does not include control or prevention of wood-destroying pests such as termites or any other wood-destroying organism. Mr. Exterminator LLC shall not be liable for any claim for personal loss, property loss, or structural damage caused by pests. Virtually all pesticides have some odor that may be present for a short time after application. If you or any member of your household is sensitive to chemical odor or chemicals, Mr. Exterminator recommends you consult your family physician prior to treatment. A finance charge of 1% per month (12% per year) will be charged on past due accounts (45 days after service date) and a service fee of \$20.00 on all returned checks.

If service is cancelled prior to fulfilling the initial (12) twelve-month agreement by refusing to receive or pay for service as indicated in the above calendar and pricing, for any reason, the customer agrees to pay a one-time cancellation fee equal to the customers charge for one quarterly service or one every-other-month service.

The initial service will include treatment of the inside and outside of the structure. Thereafter, regular services will be performed on the outside of the home only. However, the interior and the exterior of the home are always under warranty. If the customer would like inside treatment, or additional outside service, once notified, Mr. Exterminator LLC will treat the interior and/or the exterior of the home at no additional charge. Any callback for retreatment within (10) ten days prior to a regular scheduled service call will be considered a regular service call and be charged to customer as such.

RIGHT TO CANCEL: You, the customer, have the right to cancel this transaction at any time prior to midnight of the third business day after the date of this transaction.
